for an Informative Dementia Seminar

Presented by the **alzheimer's**  **association**™ at Wesleyan Village

Communicating with individuals who've been diagnosed with Alzheimer's or a related dementia can be difficult—especially when you don't have training and an adequate understanding of how the disease affects your loved one.

This seminar will cover important topics:

- Understanding Dementia
- Caring for the Caregiver
- Effective Communication

Basic and Effective Alzheimer's and Dementia Communication Strategies

Wednesday July 26 • 2:30 to 4 p.m.

Wesleyan Village Cascade Hall
807 West Avenue • Elyria, OH 44035

To register, call 440-284-9330 by July 24.
Refreshments will be served, but seating is limited.
