

“Wesleyan Meadows is the perfect place to age gracefully.”

—Barb Kapucinski, Resident

After visiting many retirement communities, Barb Kapucinski reports thinking *no, no, no*, until visiting Wesleyan Meadows.

“Yes, this is the place for me. There’s a sense of community!”

Barb’s dog Max fits right in, too. “We walk each day, meet residents, and even have pet play time in each other’s homes. My little Max loves his new neighbors and they love him.”

Barb also appreciates the community’s in-home emergency monitoring system. “Daily I can check in. Living alone, it gives me great peace of mind. If they don’t hear from me by 10 a.m., I receive a wellness check!”

Now that’s staying independent and aging gracefully.
