

“No mowing or shoveling anymore. We moved to Wesleyan Meadows!”

—Jim and Irma Sigworth, Residents

Wesleyan Meadows offers a carefree retirement lifestyle for Jim and Irma Sigworth. “We love Wesleyan Meadows. Our home is comfortable and cozy—with ample space and storage.” Best of all, “it’s worry-free, maintenance-free.” The community takes care of lawn care and snow removal, as well as interior and exterior home repairs.

“Wesleyan Meadows is a charming and welcoming community,” Jim and Irma say. “What we love most is the opportunity to join the many offered activities. It’s a great way to meet new friends and neighbors—and have fun, too.”

It’s an easy guess the Sigworths also loved getting rid of their mower and shovel.
