

“Choosing Wesleyan Meadows was the best decision I’ve made.”

—Judy Gill, Resident

When Judy Gill’s husband passed away, she wanted to downsize for the next phase of her life. She chose Wesleyan Meadows. “I cannot say enough about the friendly atmosphere here at the Meadows,” says Judy. “I have many wonderful new friends.”

Judy loves her home: “Everything is on one floor, open and bright, with space behind the house for a small garden of flowers and herbs.” She also appreciates the activities. “I enjoy card games in the evenings, Friday night movies, Stitch and Chat, ping-pong, exercise and just walking in the community.”

“I am so glad I am here,” Judy adds.

Yes, she made a great decision.
